Zafiro Rey Don Jaime sits in a prime location overlooking two beaches and the Mediterranean Sea in Santa Ponsa. This unique all inclusive Majorca hotel offers a wealth of attractive facilities to create the perfect environment for both family or couples holidays in the sun-filled Balearic Islands.

The rooftop adult-only Sky Pool with surrounding deck is the heartbeat of this place during the daytime. Work on your tan by the water's edge or simply gaze at the stunning views as you take a dip in the pool. The second outdoor pool is a favourite with families and there is a third indoors at the spa where you can also enjoy massages and the Jacuzzi and sauna.

Design-wise the guest rooms and suites are contemporary with silver grey and white furnishings and light wood furniture. Welcome touches such as a television to watch a film, a kettle to make a brew, and premium Wi-Fi access to keep in touch with friends and family help you feel at home. The air-conditioning and comfy beds set the scene for a restful night's sleep.

The on-site bars and eateries tempt you with a world of flavours. Dine buffet-style on local and international fare in the main eatery and enjoy light bites and drinks by the pool. The bar-cafe is the go-to place for daytime refreshments and evening cocktails and entertainment.

Discover why Zafiro Rey Don Jaime is a popular place to stay for Majorca holidays.
